Texas Warriors Elite, a select basketball program for boys and girls in grades 4-11. Our mission is to develop players with the critical skills necessary to be successful, both at the highest levels of basketball and in all facets of life. We combine intense, challenging physical training with strong emphasis and constant reinforcement of shared values.

The goal is to produce teams that consistently compete and win at the highest levels, and individuals who are prepared to succeed and make maximum contribution to society, their community, and their families.

The shared values and character traits which we emphasize, reinforce and hold all players and coaches accountable for include: strong work ethic, commitment, perseverance, integrity, resilience, teamwork, respect for others, and good sportsmanship.

The TWE Select Basketball Program is all- inclusive. Only additional costs would be player travel and additional training. Payment plans available.

TWE Team Selection Process

During tryouts, players will compete in controlled scrimmages, with multiple coaches evaluating. TWE professional coaches are evaluating much more than basketball skills. They are seeking players that can adapt to any situation, compete at any level, and attempt to make players around them better. Most importantly, just have fun!
